**NJIT 2016 CALLING!**

After eight successful Summer Research Programmes since 2008 at New Jersey Institute of Technology (NJIT), USA, it is now proposed to send the 9<sup>th</sup> batch of students in 2016.

***The goal of this programme is to provide a meaningful learning and research experience to undergraduate students that will stimulate interest both in seeking a better future, performing research and pursuing Higher studies abroad.***

This Programme is open to all bonafide 2<sup>nd</sup> & 3<sup>rd</sup> Year B. Tech students of all Streams (AEIE, BT, CSE, CE, ChE, ECE, IT, ME and EE). In the event of a very large number of applicants, priority may be given to eligible 3<sup>rd</sup> year students.

In order to know more of this flagship programme of HITK, all bonafide students, who are interested in availing themselves of this special opportunity, are invited to attend an Orientation Programme entitled '**Opportunities at NJIT**', on **Wednesday, 30<sup>th</sup> September, 2015, at 03.30 p.m. in A V Room** (opposite School auditorium).

This is a unique opportunity to explore new avenues of learning, meet students of diverse nationalities and gain fresh insights and knowledge.

In case of any more information, contact the undersigned.
