Chairman’s Message

A warm welcome to all the members of Heritage Group of Institutions and their families.

I am very happy to announce that in January 2014, Heritage Institute of Technology (HIT-K) organized the International Conference on Applied Algorithms under TEQIP-II followed by another International Conference on Electronics, Communication and Instrumentation where eminent scientists from various countries addressed the faculty members and students.

Hearty congratulations to The Heritage School for the success of IBDP and IGCSE programmes. It is gratifying to note that all the IBDP pass-outs have been selected in leading institutions of India and abroad.

All this would not have been possible without the excellent team work, cooperation and mutual understanding of all the stakeholders. I wish to express my thanks and appreciation to all the members of The Heritage family for their commitment and dedication.

H.K. Chaudhary

HIT-K is now Autonomous

Heritage Institute of Technology (HIT-K) has been declared as an Autonomous Institution by West Bengal University of Technology on the recommendation of University Grants Commission.
